Investment Highlights

Al Hammadi employs a multi-pronged growth strategy aimed at increasing its market penetration, expanding its service offering, and cementing its leading position in Riyadh

The Group's ambitious growth plans will see it add 600 rooms and 360 clinics by 2030 to capitalize on the city's growing healthcare demand

Al Hammadi constantly monitors shifting demand dynamics in the Riyadh market and launches new specializations to better cater to its patient base

New Centers of Excellence Launching Across Al Hammadi's New Facilities

Al Hammadi is looking to further broaden, diversify and optimise its patient base to boost its resilience, profitability and receivables profile

The Group is focused on growing in adjacent segments of the healthcare industry, diversifying its revenue mix, and developing its one-stop-shop model

Retail Pharmacies

Al Hammadi's proposed network of retail pharmacies will provide easier access to medication for the Group's patients, while pushing a more attractive sales mix with higher shares of over-the-counter products (including cosmetics, skin care products, and others). In line with its vision of diversifying its revenue mix and providing a one-stop-shop for its patients from examination and diagnosis to treatment and rehabilitation, Al Hammadi plans to expand its pharmacy segment to include a network of retail pharmacies spanning Riyadh.

Online Services

In an effort to penetrate new segments more effectively, the Group will also launch an online pharmacy platform guaranteeing simpler and quicker access to medication.

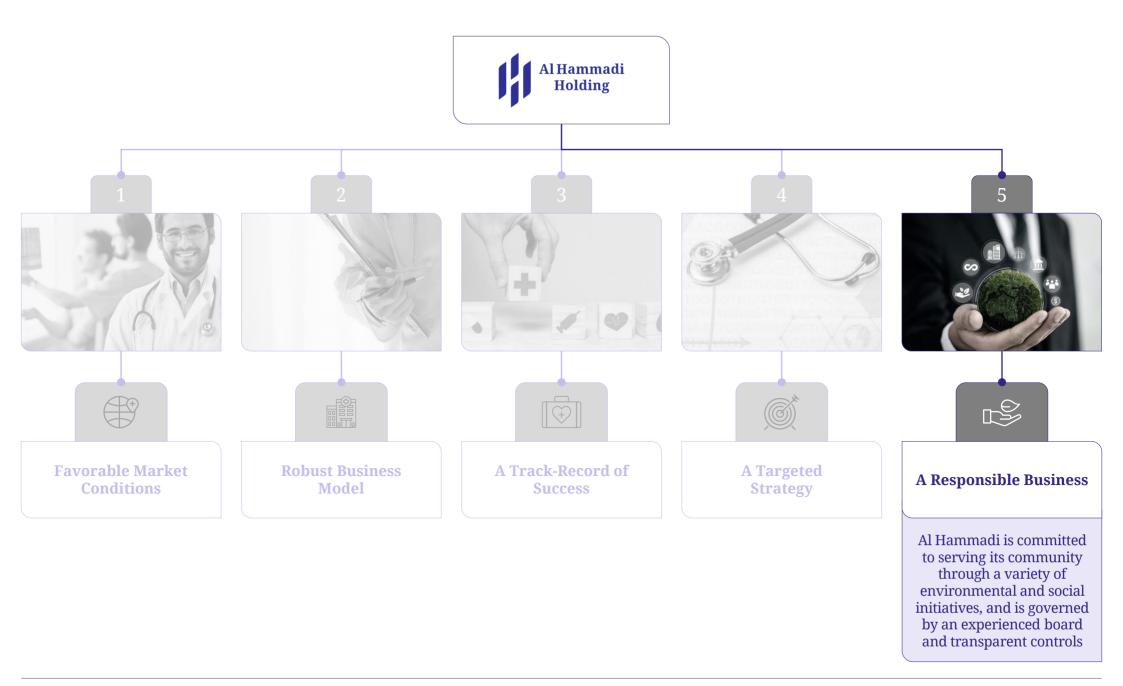

This is also directly in line with the Saudi government's vision of pushing the digital transformation of the healthcare sector and increase the adoption of telehealth. The Group employs regular monitoring of quality standards to ensure sustained provision of world-class service and the successful renewal of its international accreditations

The Group's ability to consistently deliver high quality services in line with global best practices has seen it become the first private facility in Riyadh to earn the prestigious ACC accreditation

Investment Highlights

The Group spearheads a variety of environmental and social initiatives geared towards giving back to the community it serves

2022 Environmental Initiatives

Electricity Consumption

In line with the Group's strategy to reduce its carbon footprint, the Company installed an intelligent adiabatic cooling system which is expected to reduce cooling electricity consumption by double digits.

A Greener Riyadh

Throughout 2022, Al Hammadi planted 100 trees around Riyadh to contribute to the reduction of pollution in the fast-growing Saudi capital. In line with this effort, the Group's Board of Directors has approved an initiative to plant a tree a day during 2023.

Paper Waste Reduction

The Company actively monitors paper waste across its portfolio hospitals, while pushing the substitution of paper with digital and electronic forms. Al Hammadi aims to reach a target of 99% electronic paperwork by 2025.

2022 Social Initiatives

Female Empowerment

Al Hammadi is a proud champion of female empowerment, implementing female-specific training programs, and furthering women's opportunities in its employment practices. As of year-end 2022, over 62% of Al Hammadi staff were female. Additionally, of the 6 current Al Hammadi c-suite executives 2 are female, filling the roles of the Group's Chief Medical Officer and CFO of the Medical Support Service Company.

Healthcare Awareness

Al Hammadi regularly produces informed publications on the prevalence of non-communicable diseases and preventative measures. Additionally, the Group participates in health awareness throughout the year.

Training Future Generations

The Company utilizes a detailed training program for its new staff members, in addition to remaining updated on the latest medical research to train all employees on the most efficient methods in treating their patients.

The Group adheres to best-in-class governance frameworks ensuring the business operates responsibly and delivers the promised value to all stakeholders
